Dispute resolution

- If you have any questions or wish to dispute your bill, please email us at:
office@gunbarwater.com.au

How our infrastructure charges and planning and management charges are determined

- Gunbar Private Water Supply Board approves its infrastructure charges and water planning and management charges for the forthcoming financial year in June each year. If you wish to provide feedback to this consultation process, please email us at: office@gunbarwater.com.au

How our Pass-through charges are determined.

Gunbar Private Water Supply Board (GPWSB) Pass-through charge (Recovery of WaterNSW bulk water charges) (fixed and variable)

- Gunbar Private Water Supply Board (GPWSB) sets its charges to recover WaterNSW charges at the amount set by IPART. IPART sets these charges every four years via a public consultation process. It updates these charges annually during this period to reflect changes in the consumer price index and changes in demand for Water NSW's services.

Gunbar Private Water Supply Board (GPWSB) Pass-through charge (Recovery of NSW Government contribution to MDBA (fixed and variable)

- Gunbar Private Water Supply Board (GPWSB) sets its charges to recover the NSW Government's contribution to funding the Murray-Darling Basin Authority to undertake activities under the Murray- Darling Basin Agreement at the amount set by IPART. IPART sets these government charges every four years via a public consultation process. It updates these government charges annually during this period to reflect changes in the consumer price index and changes in demand for Water NSW's services.

Gunbar Private Water Supply Board (GPWSB) Pass-through charge (Recovery of Water Administration Ministerial Corporation charge) (fixed and variable)

- Gunbar Private Water Supply Board (GPWSB) sets its charges to recover WAMC charges at the amount set by IPART. IPART sets these charges every four years via a public consultation process. It updates these charges annually during this period to reflect changes in the consumer price index and changes in demand for Water NSW's services.

Gunbar Private Water Supply Board (GPWSB) Pass-through (Conveyance) charge

- Gunbar Private Water Supply Board (GPWSB) sets its charges to recover Water NSW's conveyance licence charges at the amount set by the NSW Minister for Water. The Minister sets these prices annually.
